

It was observed by some, that under Section 184 of the Municipal Regulation, the dismissal of Municipal servants on pay of Rs. 15 and less vested with the Chief Officer and that the President cannot exercise his powers in such cases. The President explained that the powers exercised by the President and the Chief Officer in such cases were co-ordinate and concurrent and that in cases of defalcations, etc., where a number of persons were involved, the ends of justice and equity required that the highest authority entitled to pass orders on any one of them should also pass orders in the case of others under the disciplinary control vested in him as President.

With this view, 9 disagreed, 4 agreed, and 1 remained neutral, two members having left the meeting in the course of discussion with the permission of the President.

For want of time, other subjects were deferred.
